

Canadian Battlefield Tour of Northwest Europe 2019

Normandy to the Liberation of Holland

Our Most Popular Tour!

Embark on a journey of wonder and discovery

as you walk in the footsteps of our Canadian soldiers, who left their mark of service and sacrifice upon a far away landscape in the pursuit of democracy & freedom.

Our 2019 battlefield tour is the most comprehensive tour of its kind - a pilgrimage to the Canadian battlefields of WWI and WWII where Canada came of age as a nation and forged a reputation as *the* army to be called upon for some of the most difficult and challenging battles of the wars.

Your tour also includes free time to enjoy a little culture, with the opportunity to visit several UNESCO World Heritage Sites and to explore two of Europe's most beautiful capital cities ... Paris and Amsterdam. You'll stay at quality hotels throughout, selected for their great location and service. And you'll be part of a typically all-Canadian group.

Join us for an unforgettable, life-changing journey through France, Belgium and The Netherlands.

The Tour.

Juno Beach

Stand on the very shore where Canadians stormed the beaches on D-Day, June 6, 1944. Learn how the Canadians made it further inland than any other allied force. Your visit includes a guided tour of the beaches and a tour of the Juno Beach Centre.

Vimy Ridge

The ground that could not be taken and held ... until the Canadians came. It was the first time all four divisions of the Canadian Expeditionary Force fought together, and their success of April 1917 resonates still to this day. See what many consider the most beautiful of all the war monuments, including a must-see guided tour of the tunnels.

Passchendaele

It's been called the ugliest fight of both World Wars. It's October 1917 and the Canadians will suffer gas attacks, infested trenches, misery. And yet they will once again prevail. What was then a barren, muddy landscape is now a quiet, lovely countryside. You'll see where they fought, and where John McCrae wrote his famous poem.

Beaumont-Hamel

Many Canadians don't know the name but Beaumont-Hamel is forever etched into the memory of Newfoundlanders. It was here in July 1916 that a thousand soldiers climbed up out of the trenches and into the gunfire, and were almost completely wiped out. They are the Royal Newfoundland Regiment and their battleground is renowned as one of the best preserved WWI sites in all of France.

What our Clients Say ...

"Every morning since I got home I have to get up and go over my photos just to make sure that I really did go on our trip as it tends to feel surreal. From time to time, I still experience the exhilaration of "actually being there." Everything seemed to mesh - from your meticulous planning and attention to detail, the location of hotels near sightseeing venues, the selection of prime sites from WW1 and WW2 as well as the excellent commentary. Definitely, going in a group had some serendipitous advantages as we shared each person's "story." I am so glad I made the choice of going with Liberation Tours. Thank you, THANK YOU!" -Darlene T., Calgary AB

"Thank you again for everything you did for us: an amazing trip, and great people to share moments with. And your attention to detail will always be remembered and appreciated. Several times you went above and beyond the call of duty. Thank you so much for making our experience such a positive and forever memorable one."
-Audrey & Sam D., Burlington ON

"A truly awesome retreat 'into the trenches' of both wars." -Vivian H., Millet AB

"Fabulous time, one that none of us are likely to forget for a very long time. A life-long dream fulfilled. Simply excellent."
-Neil & Linda S., Whitby ON
