Northwest Europe Canadian Battlefield Tour

**Follow the Maple Leaf Route
from Paris to Amsterdam**

September 19 - October 3, 2024

Embark on a journey of wonder and discovery as you walk in the footsteps of our Canadian soldiers, who left their mark of service and sacrifice upon a far away landscape in the pursuit of democracy & freedom.

Our Northwest Europe battlefield tours are the most comprehensive of their kind - pilgrimages to the Canadian battlefields of WWI and WWII where Canada came of age as a nation and forged a legendary reputation as the army to be called upon for some of the most difficult and challenging battles of the wars. Canadians signed up from across our country, joining forces to sail across the Atlantic Ocean to liberate a people they did not know. Many are forever laid to rest in foreign soil.

You'll stay at quality hotels throughout, selected for their great location and service. Your tour also includes free time to enjoy a little culture. Our groups are mostly an even 50/50 mix of ladies and gentlemen, from all walks of life.

Join us for an unforgettable journey of remembrance through France, Belgium and the Netherlands.

THE TOUR.

Juno Beach

Stand on the very shore where Canadians stormed the beaches on D-Day, June 6, 1944. Learn how the Canadians made it further inland than any other allied force. Your visit includes a guided tour of the beaches and a tour of the Juno Beach Centre. It's a little piece of Canada on the French coast.

Vimy Ridge

The ground that could not be taken and held ... until the Canadians came. For the first time, all four divisions of the Canadian Expeditionary Force will fight together, and their success of April 1917 resonates still to this day. See what many consider the most beautiful of all the war monuments in Europe, a symbol of peace.

Passchendaele

It's been called the ugliest fight of both World Wars. It's October 1917 and the Canadians will suffer gas attacks, infested trenches, misery. And yet they will once again prevail. What was then a barren, muddy landscape is now a quiet, lovely countryside. You'll see where they fought, and where John McCrae wrote his famous poem.

Beaumont-Hamel

Many Canadians don't know the name but Beaumont-Hamel is forever etched into the memory of Newfoundlanders. It was here in July 1916 that a thousand soldiers climbed up out of the trenches and into the gunfire, and were almost completely wiped out. They are the Royal Newfoundland Regiment and their battleground is renowned as one of the best preserved WWI sites in all of France.

THE TRIP.

Paris

Enjoy some time unwinding as you absorb Paris in the spring! There's so much to see, including the Eiffel Tower, Notre Dame Cathedral, the Louvre, the Arc de Triomphe, the Champs-Élysées, Les Jardins du Luxembourg, the list goes on!

Leper (Ypres)

Enjoy a little free time for shopping and a lot of great food, or perhaps a walk along the old city ramparts and cobblestone streets. Here you'll often cross paths with other battlefield tourists from Canada, the United Kingdom and more. The evening Last Post Ceremony is a very special highlight of any visit to Leper, a tradition that continues since 1928.

War Graves Cemeteries

The war cemeteries are places of serenity. They are immaculately maintained by the Commonwealth War Graves Commission, which commemorates 1.7 million soldiers, sailors and airmen from two world wars. They are peaceful places, and they beckon you to visit.

Amsterdam

You will round out your fabulous trip with two nights in the beautiful city of Amsterdam. It's 17th century canals are a UNESCO World Heritage Site. You may wish to visit the Rijksmuseum, the House of Anne Frank, or simply sit at a canal-side café enjoying coffee while watching the people go by.

WHAT OUR CLIENTS SAY ...

"We have travelled extensively around the world but nothing quite compares to this personal journey. The attention to detail was over the top. Every traveler was made to feel very special. It was so much fun. But more importantly, you made us all feel so proud to be Canadian by our sharing family histories. We will remember them."
- Dawn & Murray McGinnis

"Thank you for such great passion, and for putting us in the soldiers' shoes. We are also very grateful for your flexibility in modifying one of the days on the tour, so that we could visit the grave of my Uncle Stanley. It's a trip we will not forget."
- Mary & Don Lee

"Liberation Tours took my wife and I on a cultural adventure and dramatic exploration of the Canadian battlefields and war grave cemeteries of Italy. This was military history combined with the best cultural experience Italy has to offer. Every day provided unique surprises and freedom of movement. Flights and bus transport, hotels, baggage handling, gratuities, entry fees to historical sites, and splendid culinary and architectural experiences - all were choreographed with the precision but doled out with an Esprit du Coeur. Liberation Tours offer a large variety of experiences around military history through time and place."
- Nick Cuberovic

Your guide will be Liberation Tours' chief historian **Phil Craig**, professional actor and Co-Founder of the Georgina Military Museum.
